To the Shareholders

Dear Sir or Madam

NOTICE OF EXTRAORDINARY GENERAL MEETING

RECOMMENDED PROPOSALS FOR THE ADOPTION OF NEW ARTICLES OF INCORPORATION AND THE DISAPPLICATION OF PRE-EMPTION RIGHTS

INTRODUCTION

The Board wishes to seek Shareholder approval for the adoption of new Articles of Incorporation to reflect changes in Guernsey company law and UK regulation affecting the Company. An extraordinary general meeting of the Company is being convened on 23 March 2011 at which Shareholders will be asked to consider:

- amending the Articles of Incorporation to (i) reflect changes made by The Companies (Guernsey) Law, 2008, as amended; and (ii) reflect changes to the Listing Rules, including the requirement introduced in 2010 that, in order to for the Shares to continue to be admitted to the Official List with a premium listing, the Company must adopt in its constitution pre-emption rights applicable to any further issues of Shares for cash;
- disapplying the pre-emption rights on a limited basis;
- amending the Articles of Incorporation to permit the Company to make a scrip dividend alternative available to Shareholders if a cash dividend is payable in the future; and
- restricting the scope of indemnities from the Company to Directors provided for in the Articles of Incorporation,

(together, the "**Proposals**").

The purpose of this Circular is to provide Shareholders with details of, and to seek Shareholder approval for, the Proposals. This Circular includes notice for the EGM to be held at 10.30 a.m. on 23 March 2011 at Arnold House, St. Julian's Avenue, St. Peter Port, Guernsey GY1 3NF.

The Board believes that the Proposals are in the best interests of the Company and its Shareholders as a

whole and recommends that you vote in favour of the Resolutions at the EGM. You are therefore urged to complete and return your Proxy Appointment without delay, whether or not you intend to attend the EGM.

Adoption of new Articles of Incorporation

To effect changes made to the Companies Law and the Listing Rules, the Company is required to amend its existing Articles of Incorporation. The Board would also like to take this opportunity, given the other changes that are proposed in this Circular, to amend the Articles of Incorporation to permit the Directors to offer a scrip dividend alternative in the event a cash dividend is payable in the future and to restrict the scope of indemnities that the Company may grant to the Directors under the Articles of Incorporation. Further details of these changes are set out below.

A copy of the proposed revised Articles of Incorporation showing all changes will be available for inspection at (i) the registered office of the Company at Arnold House, St. Julian's Avenue, St. Peter Port, Guernsey GY1 3NF; and (ii) the offices of Herbert Smith LLP at Exchange House, Primrose Street, London EC2A 2HS, during normal business hours on any Business Day from the date of this Circular until the conclusion of the EGM, and at the place of the EGM for at least 15 minutes prior to, and during, the EGM.

Pre-emption rights

As a Guernsey incorporated vehicle, the Company is not subject to any local statutory requirements in respect of shareholder pre-emption rights for new Share issues for cash. Under changes to the Listing Rules that came into effect in April 2010, however, non-UK companies that have shares admitted to the Official List with a premium listing are required to have pre-emption rights contained in their constitution prior to 6 April 2011. Accordingly, the Board proposes that new Articles of Incorporation are adopted to introduce pre-emption rights in respect of all new Share issues for cash in order that the Company complies with the Listing Rules and retains the premium listing for the Shares.

It is further proposed that the pre-emption rights that are to be introduced in the new Articles of Incorporation are disapplied in respect of new issues of Shares, subject to the disapplication being limited to a proportion of any new issue of Shares that represents 5 per cent of the issued share capital of the Company (including treasury shares). As at 1 March 2011 (the latest practicable date prior to publication of this Circular), this was equal to 3,623,217.

The Board feels that this limitation is appropriate and customary for a closed-ended investment fund such as the Company, having regard to guidance from The Association of Investment Companies and the Statement of Principles published by the Pre-emption Group.

The disapplication is proposed by way of a special resolution of the Company and the Board intends to seek such disapplication at each annual general meeting of the Company hereafter, including the annual general meeting to be convened later this year.

Guernsey company law changes

The principal proposed amendments to the Articles of Incorporation in light of the changes introduced by the Companies Law are summarised below. The changes made are those strictly required by the Companies Law or that the Board believes the Company may benefit from as a result of the replacement of the Companies (Guernsey) Law 1994 to 1996, as amended (the "**Old Law**"). Non-material changes and changes of a minor, technical or clarifying nature have not been noted in this Circular. Shareholders are advised not to rely on this summary alone but to review the proposed Articles of Incorporation in their entirety.

Share Issues and Share Capital

The proposed Articles of Incorporation include an authority, now required under the Companies Law, for the Directors to issue an unlimited number of Shares for a period of 5 years from the date of adoption of the Articles of Incorporation. The Board expects to renew this authority at each annual general meeting hereafter, including the annual general meeting to be convened later this year.

References in the new Articles of Incorporation to special resolutions for reductions in share capital have been removed as the concept of a reduction of share capital by special resolution is no longer required by the Companies Law.

Variation of Class Rights

The proposed Articles of Incorporation have been revised to reflect the relevant sections of the Companies Law in connection with the variation of class rights.

Register of members

Certain amendments have been made in order to conform the provisions in the Articles of Incorporation to the Companies Law in respect of the maintenance of the register of members.

Meetings and Resolutions

The provisions in relation to general meetings have been modified to comply with new statutory provisions. It should be noted that the quorum provisions will, in the main, remain as currently drafted in the existing Articles of Incorporation. Those sections relating to notice of meetings have been amended so as to bring them into line with the provisions of the Companies Law. The amendments relate primarily to the method of giving notice and the contents of such notice. Amendments have also been made relating to the rights of Shareholders to appoint proxies. A proxy will have all the rights of the Shareholder who appointed him to attend, speak and vote at a meeting of the Company.

Directors

There are provisions under the Companies Law that require the Directors to make disclosures to the Board in respect of transactions in which they have an interest. The Company can void a transaction if such disclosure is not made unless there was no requirement to make the disclosure, the transaction is ratified or the Company receives fair value in respect of the transaction. The proposed Articles of Incorporation reflect the Companies Law in this regard.

Dividends

The proposed Articles of Incorporation have been amended to remove the current requirement that dividends can only be paid out of the profits of the Company as stipulated under the Old Law. The new statutory provisions in relation to distributions and reserves generally have been incorporated such that distributions to Shareholders may be made in any amount and from any account as long as the Board considers that, following the making of any such distribution, the Company will be able to pass a statutory solvency test (meaning that it can pay its debts as they fall due and that its assets will continue to be greater than its liabilities). See also the section below entitled '*Scrip dividends*' for further proposed changes to the Articles of Incorporation in respect of dividends.

Auditors

The provisions dealing with the appointment of Auditors have been removed and a reference to the appointment provisions under the Companies Law has been incorporated.

Directors' indemnities

The Companies Law has introduced provisions which limit the validity of indemnities granted by a

company to its directors. The Directors' indemnity provisions contained in the Articles have been modified to limit the scope of any indemnity granted to Directors to the extent permitted under the Company Law. See also the section below entitled '*Indemnities*'.

Scrip dividends

In light of the other changes to the Articles of Incorporation that are proposed, the Board believes that the flexibility to offer a scrip dividend alternative in the event a cash dividend is payable in the future would benefit Shareholders. Accordingly, the Board proposes that the Articles of Incorporation are also amended to permit the Board to offer a scrip dividend if a cash dividend is declared in the future.

The scrip dividend provisions in the proposed Articles of Incorporation would allow eligible Shareholders to elect to receive scrip dividends in lieu of cash dividends on their Shares. In the event a scrip dividend is offered in future, an electing Shareholder would be issued new, fully paid up Shares (or Shares reissued from treasury) pursuant to the scrip dividend calculated by reference to the higher of (i) the prevailing average market price of the Shares over five trading days; or (ii) the Net Asset Value per Share, at the relevant time. Eligibility to receive a scrip dividend would be available only to those Shareholders to whom Shares might lawfully be marketed by the Company.

Shareholders should note that a scrip dividend alternative would only be offered if a cash dividend is declared and, as at the date of this Circular, the Board has no current intention to declare any dividend. In addition, any scrip dividend alternative would be at the discretion of the Directors.

Indemnities

The Board also wishes to take this opportunity to amend the indemnity provision in the Articles of Incorporation. The UK Companies Act provides that a company's constitution must not contain any indemnity that, *inter alia*, indemnifies a director against a liability for a fine imposed in criminal proceedings or in defending criminal proceedings in which a director is convicted. The proposed amendments will ensure that any director indemnity complies with the Listing Rules. The Board believes that it is also a matter of good corporate governance to revise the Articles of Incorporation to exclude indemnities in the same circumstances as provided for in the UK Companies Act.

RESOLUTIONS

You will find set out at the end of this Circular, a notice convening an EGM of the Company to be held at 10.30 a.m. on 23 March 2011. The resolutions to be proposed at the EGM will be proposed as special resolutions to: (i) adopt new Articles of Incorporation to include pre-emption rights, make the changes required by the Companies Law and the Listing Rules explained in this Circular and amend the provisions relating to scrip dividends and indemnities; and (ii) disapply the pre-emption rights in the new Articles of Incorporation on a limited basis until the date of the Company's next annual general meeting later this year.

All persons holding Shares at 10.30 a.m. on 21 March 2011, or if the EGM is adjourned, on the register of Shareholders of the Company 48 hours before the time of any adjourned EGM, shall be entitled to attend, speak or vote at the EGM and shall be entitled on a poll to one vote per Share held. As at 1 March 2011 (the latest practicable date prior to publication of this Circular), there were 72,464,340 Shares in issue (excluding Shares held in treasury).

ACTION TO BE TAKEN

Appointment of proxy

Whether or not you intend to attend the EGM, you should ensure that your Proxy Appointment is returned to the Company's registrars, Capita Registrars, by one of the following means:

- 1) in hard copy form by post, by courier or by hand to, Capita Registrars, Proxy Department, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU;
- 2) via www.capitashares.co.uk; or
- 3) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in the notes to the notice of the EGM.

In each case, the Proxy Appointment must be received by the Company not less than 48 hours before the time for holding of the EGM. To be valid, the relevant Proxy Appointment should be completed in accordance with the instructions accompanying it and lodged with the Company's registrars by the relevant time.

Completion and return of the Proxy Appointment will not affect a Shareholder's right to attend, speak and vote at the EGM.

A quorum consisting of two Shareholders present in person or by proxy is required for the EGM.

RECOMMENDATION

Your Board is of the opinion that the Proposals are in the best interests of the Company and its Shareholders as a whole and unanimously recommends that Shareholders vote in favour of the Resolutions to be proposed at the EGM. The Directors who hold Shares intend to vote in favour of the Resolutions in respect of their entire shareholdings of 93,750 Shares, representing 0.13 per cent. of the total number of issued Shares (excluding treasury shares) as at 1 March 2011 (the latest practicable date prior to publication of this Circular). The Investment Manager also intends to vote in favour of the Resolutions in respect of its entire shareholding of 3,685,000 Shares, representing 5.09 per cent. of the total number of issued Shares (excluding treasury shares) as at 1 March 2011 (the latest practicable date prior to publication of this Circular).

Yours faithfully

Hasan Askari
Chairman

- (i) A form of appointment of proxy (the "**Proxy Appointment**") is enclosed with this notice. A Shareholder entitled to attend, speak and vote is entitled to appoint one or more proxies to exercise all or any of his rights to attend, speak and vote at the EGM. A proxy need not be a Shareholder of the Company. If you wish to appoint a person other than the Chairman of the EGM, please insert the name of your chosen proxy holder in the space provided on the enclosed Proxy Appointment.
- (ii) In the case of joint holders such persons shall not have the right to vote individually in respect of a Share but shall elect one person to represent them and vote in person or by proxy in their name. In default of such an election, the vote of the person first named in the register of members of the Company tendering a vote will be accepted to the exclusion of the votes of the other joint holders.
- (iii) You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different Shares. You may not appoint more than one proxy to exercise rights attached to any one Share. To appoint more than one proxy you may photocopy the enclosed Proxy Appointment. Please indicate the proxy holder's name and the number of Shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of Shares held by you). Please also indicate if the proxy instruction is one of multiple instructions given by you. All hard copy Proxy Appointments must be signed and should be returned together in the same envelope.
- (iv) In order to be valid a Proxy Appointment must be returned by one of the following methods:
 - a) in hard copy form by post, by courier or by hand together with any power of attorney or other authority under which it is executed (or a notarially certified copy of such power of attorney or authority) to the Company's registrars, Capita Registrars, Proxy Department, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU;
 - b) via www.capitashares.co.uk; or
 - c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below,

and in each case must be received by the Company not less than 48 hours before the time of the EGM. A Shareholder that appoints a person to act on its behalf under any power of attorney or other authority and wishes to use method b) or c) must return such power of attorney or other authority to the Company's registrars, Capita Registrars, Proxy Department, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU prior to using such method and in any event not less than 48 hours before the time of the EGM.

- (v) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the EGM and any adjournment thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- (vi) In order for a Proxy Appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it relates to the Proxy Appointment or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA 10) by the latest time(s) for receipt of Proxy Appointments specified in the notice of EGM. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001. CREST members and where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by

means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

- (vii) In the case of a Shareholder which is a company, a hard copy Proxy Appointment must be executed under its common seal or under the hand of an officer or attorney duly authorised.
- (viii) Any corporation which is a Shareholder may by a resolution of its directors or other governing body authorise such persons as it thinks fit to act as its representative at any meeting of the Company or of any class of Shareholders of the Company or to approve a resolution submitted in writing and the person so authorised shall be entitled to exercise on behalf of the corporation which he represents the same powers (other than to appoint a proxy) as that corporation could exercise if it were an individual Shareholder of the Company.
- (ix) Completion and return of the Proxy Appointment will not preclude a holder of Shares from subsequently attending, speaking and voting in person at the EGM should they wish. If a Shareholder attends the EGM in person, any Proxy Appointment will automatically be terminated.
- (x) By attending the EGM a holder of Shares expressly agrees they are requesting and willing to receive any communications made at the EGM.
- (xi) If you submit more than one valid Proxy Appointment, the Proxy Appointment received last before the latest time for the receipt of proxies will take precedence. If the Company is unable to determine which Proxy Appointment was last validly received, none of them shall be treated as valid in respect of the same.
- (xii) To have the right to attend, speak and to vote at the EGM (and also for the purpose of how many votes a holder of Shares casts), a holder of Shares must first have his or her name entered in the register of holders of Shares by no later than 10.30 a.m. on 21 March 2011. Changes to entries on the register of holders of Shares after that time shall be disregarded in determining the right of any holder of Shares to attend and vote at the EGM.
- (xiii) A quorum consisting of two Shareholders holding 5 per cent. or more of the issued Shares being entitled to vote and attending in person or by proxy is required for the EGM. If within half an hour after the time appointed for the meeting a quorum is not present the EGM shall be adjourned for 14 (fourteen) days at the same time and place or to such other day and at such other time and place as the Board may determine and no notice of adjournment need be given at any such adjourned meeting. Those Shareholders present in person or by proxy shall constitute the quorum at any such adjourned meeting.
- (xiv) The resolutions to be proposed at the EGM will be proposed as special resolutions which, to be passed, must receive the support of not less than seventy five per cent. of the total number of votes cast for or against the resolutions.
- (xv) Defined terms used but not defined in this notice shall have the same meaning given to them in the Circular of the Company dated 2 March 2011.
